

Dear Colleagues

The following clubs have still not submitted any registrations into the league.

South Kirkby Colliery under 8s, under 9s, under 15s, and under 16sA.

Town Moor Tigers under 11s.

West End Bentley under 11s.

I must remind clubs that if they are not submitted into the league office by Wednesday the 1st September they will not be guaranteed to be playing the first game of the new season due to the volume of other work that will be coming into the office.

Priority for ID cards will be given to clubs who have already submitted registrations and want additional cards producing the cut of date for clubs wishing to register players for the first game of the season will have to be Wednesday 9th September, this will enable me to have every player registered and playing the first game, if I have time I will do them after the date but not guaranteed.

A few clubs are starting to send in registrations without payment please note they will be sent straight back to clubs until payment is received and classed as UN sent.

Also clubs wishing to de register players must go through their club secretary using the de registration book provided, new clubs who have not received one must contact the league office to make arrangements to collect.

Wishing you all the best for the forth coming season

Tracey Box (Registration Secretary)
